

5020 CLEAR POLYASPARTIC TOPCOAT

HIGH-BUILD WITH FAST DRY TIMES FOR FAST RETURN TO SERVICE

Designed for easier application with fast dry times, the 5020 Clear Polyaspartic Topcoat is a two-component, high-build polyaspartic with 84% solids. The 5020 Polyaspartic is part of our Performance product line that delivers high-quality products at an affordable price.

A high-build product with decent working times enables a quick return to service. Floors can be walked on in 6 hours and driven on in 72 hours. The 5020 Polyaspartic provides a beautiful high-gloss finish, making it great for residential, commercial, and industrial concrete floors.

THE VERSATILE DIFFERENCE

- High-Build
- Pot Life of 30 minutes +/-
- Fast Dry Times
- Low Odor
- High Gloss
- Resistance to Most Chemicals
