## 5020 CLEAR ASPARTIC TOPCOAT

*HIGH-BUILD WITH FAST DRY TIMES FOR FAST RETURN TO SERVICE*

Designed for easier application with fast dry times, the 5020 Clear Aspartic Topcoat is an 84% solids product. The 5020 Aspartic is part of our Performance product line that delivers high-quality products at an affordable price.

This product allows for a high build with decent working times while allowing for a quick return to service. Providing a beautiful high-gloss finish, the 5020 Aspartic is great for residential, commercial, and industrial concrete floors.

### THE VERSATILE DIFFERENCE

- High-Build
- Low Odor
- High Gloss
- Resistance to Most Chemicals
